Committee Reports:

From each of you, we will hear your progress and concerns as sent to me as follows

Andrea secretary update- old news? New news to discuss?

Rachel- treasurer report and update on Dana status

Julie- publicity - market flyers and money for them

Rachel- how will we pay our musicians

Kelly- can you add our website to the signs ?

Dave- any grange liaison news?

Chris- vendor count and reach out news

Glenn- website update

New business:

Food committee

Spring thing committee

P.O.P. Program (Genie)

Budget- Genie

Now please realize your updates are a few sentences each just the basics, this should NOT take that long. I saved the budget for last as it requires more time. Genie offered to work on that , but again please keep to the most pertinent topics for the bulk of conversation. We can get thru all of this and hopefully move forward a little more for our market hopes. Thank you so much for your hard work and cooperation!
