# HUMMINGBIRD PRE-PACKED SNACKS

Our retail bag products are packed in a biodegradable cellophane bag, which takes about 6 weeks to break down in a home compost bin. The labels on our retail bags are recyclable. These sustainable bags are oxygen permeable. If the retail bag is stored at normal room temperature and out of direct sunlight, the shelf life of our retail bags is a minimum of 6 weeks from the Julian Date Code listed on the back of the label.
