

SEEKING:

Creative and Enthusiastic Cook(s) specializing in *Organic and Locally Grown Food* to Serve Lunches at our award winning farmers market.

Spencer Creek Community Growers Market is currently looking for a reliable market chef (or chefs) for our 2020 market season. Every year, our market has boasted outstanding lunches served each Saturday - it's a part of what makes us who we are. We pride ourselves on providing organic, locally grown, creative lunches made with love. This year we are opening the position to the community! This is a great fit for anybody wanting to support the market, friends and neighbors, while earning money and perfecting their cooking talents. Best of all, this is a really fun job and the market has your back. We are asking for somebody with some background experience and who is passionate about food from the earth. Sounds like you or someone you know? Email genie@spencercreekmarkets.org and visit us at: spencercreekmarkets.org/market-chefs/
