

Spencer Creek Community Grower's Market Board Meeting

June 1, 2025 at The Spencer Creek Grange steps

Notes taken by Andrea Turner, Secretary

Present: Glenn, Gordon, Andrea

Treasurer's Report:

The current checking balance is **\$15,082.18**

Glenn tried talking to Christina and didn't hear back. She might not want to sell at market. Glenn will try to drive to Vida to talk to Upriver Organics. Alba from Wild Child could bring stuff to Glenn's for drop off. The water rights bill has passed and will take effect January 1st. Glenn talked to Meredith about selling produce at her booth. In two weeks, we may try to sell at a consignment booth. Appletree Farm and produce from Stephanie's garden will be sold at the consignment booth.

Glenn will pay someone \$20/\$25 hour to stand at the booth and represent the market at the consignment booth.

Andrea will check in with E'lon about his status.

Glenn left a message for Caroline.

We could just have the consignment person also sell coffee.

Glenn mentioned that we could still send out a mailer to folks about the market. We need to have a few more feathers in our cap before we do so.

Glenn mentioned that we got a phone call from BMI left on the Grange answering machine on Saturday, June 1, 2025. We will call back and leave a message saying that we ask the musicians to play original music and music in the public domain. Karen is forwarding the music names to Glenn and he is scheduling the musicians. Gordon is considering taking on the music coordinator position. Glenn would give Gordon account access. Gordon may have to bail based on health examinations.

Maybe Ally could help step in for music coordination.
